Family Life – Sex Education Exemptions

The New Jersey Department of Education mandates that each school district maintain a Family Life – Sex Education curriculum. Our high school health curriculum includes this mandate. Students have the right to be excused from this portion of the curriculum with written parental permission.

Copies of the Family Life and Sex Education Curricula are available online under the curriculum tab on the school website. If a family chooses to opt-out on a particular lesson, forms are online under the guidance tab.

Field Trips

All field trips require two (2) weeks prior notice. Students need the written permission of each of their teachers in order to attend a field trip (Policy 5850 – Social Events and Class Trips). Necessary forms are available from the teacher running the trip.

Guests

Students are **not** allowed to bring guests to school. Prospective students interested in visiting the school should call the Assistant Principal in order to arrange a visit. Prospective students should also complete a shadowing program form, available under the guidance tab of the school website.

Legal Adult Status

Any student who is 18 years or older who chooses to remain as a member of the student body is expected to abide by all rules and regulations in effect for other students. The law does not change the student's status in school. Any rule or practice which is appropriate to the orderly and productive administration of a school applies to all pupils regardless of age.

Locks and Lockers

Each student will receive one combination lock free of charge for the hallway locker assigned to them. **Only locks supplied by the school** are to be used on lockers. Students are responsible for the purchase of a new lock if the one assigned to them is lost. Students must use only the locker which they have been assigned and keep it locked at all times.

Gym lockers are assigned at the beginning of the school year. Students must lock all of their personal belongings in their gym lockers. ***Belongings left unlocked in the locker room are at the student's own risk.***

Current prices will be charged for all materials that are lost or destroyed (Policy 5513 – Care of Property). Students may use the Media Center during an unassigned period and/or lunch period provided they go with a seriousness of purpose.

Any student who is disrespectful or uncooperative will be removed from the Media Center. Students who are persistent problems in the Media Center may have their Media Center privileges revoked.

Open Door Policy

The Principal and Assistant Principal welcome and encourage visits from students. If neither the Principal nor the Assistant Principal are available when a student comes to the office, then the student can make an appointment with a secretary to see them. In the event of a crisis, the Principal or Assistant Principal can always be reached.

For security and attendance purposes, any senior leaving the building during their free period **must** sign-in and sign-out outside of the front office.

Seniors who choose to leave school during lunch or a free period must return to school on time and enter/exit through the front entrance of the building. However, if a student fails to meet school expectations in terms of behavior then they could temporarily or permanently lose any of these privileges at the discretion of the school administration.

Students' Rights and Responsibilities

Midland Park Public Schools firmly believe that students have certain essential rights and responsibilities in regards to their educational experience.

Student Rights include the following:

- *The responsibility to work actively to attain an education and to be accountable for one's actions.*

Destruction or loss of these devices/textbooks will require repayment of list prices. Fines for other than loss or destruction will depend on the condition of the device/textbook when issued and will be judged by administration (Policy 5513 – Care of Property). The Acceptable Use sign off form is available on the district website, and must be read/signed in order to receive the device. Students should carefully note on the book slip the condition of all books issued to them.

Unassigned Class Periods

All unassigned class periods must be spent in the assigned location.

Visitors to School

All visitors to school must secure a visitor's pass from the Main Office.

Withdrawal from School

Transfer – When a student transfers, the school must be informed before the student's last day. There is a check list that must be obtained from the Guidance Office and filled out on, or before, the student's final day at school.

Withdrawal - The student and their parents/guardians must speak to a Guidance Counselor about withdrawal. A note also must be written and signed by the parents/guardians allowing the student to withdraw.

Working Papers

Starting on June 1st, 2023, schools will no longer be involved in processing Working Papers.

Working Papers applications will be online at MyWorkingPapers.NJ.gov. Employers hiring teenagers must register online to receive a unique 8-digit code and share that code with every minor they intend to hire. The potential hire can then visit the website to create an account and start their working papers application, entering the employer's unique code. Caregivers must review the details of the job and provide proof of the minor's age. The NJ Department of Labor will notify the business once the application is approved.

Employment Bulletin Board

Students may take advantage of the “Student Employment” bulletin board located just across from the guidance office. The local business community actively seeks students for employment. We also have some select summer employment opportunities for our students right here at the high school. All students are encouraged to check out our latest postings.

ATTENDANCE

Absence Procedure

State law requires the parent/guardian to notify school administrators if a pupil is going to be absent (Tabitha’s Law). State law also mandates that the only legitimate reason for being absent from school is because a student’s physical or mental condition is such that he or she cannot benefit from instruction. When a student is absent, the student’s parent must:

1. ***Call (201) 612-1091 prior to 8:00 AM*** on each morning of the absence. Please indicate your child’s name, grade level and the reason for the absence.
2. *Send a signed note into school with your son or daughter indicating the date(s) and reason for the absence.*

Students, on the day they return to school, must bring the absence note to the Main Office.

Absence Policy

According to Board of Education Policy, high school students are limited to ***twelve (12) unexcused absences per school year*** for ***any or all approved reasons***. Students who exceed the maximum number of absences in any class will not be given credit for the course and a grade of W/P or W/F will be entered on their record. If the course in which credit is removed is required for graduation then the student must take the class in summer school or repeat it the following year. Students who lose credit for a class are still expected to attend that class on an audit basis. (*Regulation 5200*)

- *It is the intention of the policy that **twelve (12) absences per school year** will provide for normal illnesses.*
- *Absences are accumulated on a class-by-class basis. Therefore, lateness to school, early dismissal, etc. counts towards the twelve (12) absences for each course.*
- *Every three (3) unexcused lates to class count as a class absence. If a student is ten (10) minutes or more late for class, then that counts as a class absence.*

N.J.A.C. 6A:32-8.3 (b) School Attendance

- A school day shall consist of not less than four hours of instruction.

Homeroom

Homeroom begins at 8:05 a.m. Students who arrive to school, or homeroom, after the 8:05 a.m. bell has rung are considered late to school and may serve a detention. Students who are not in homeroom by the bell must report to the office for a late pass. Homeroom will include the flag salute and the reading of the daily bulletin.

Class Attendance

All students are expected to be on time to each of their scheduled classes and any associated activities unless they are excused by their class teacher or an administrator.

Excused Absences

Special provisions will be made for extenuating circumstances. Excused absences do not count towards a student's cumulative absences.

- *Hospital stays or illnesses requiring extended periods of recuperation, which are documented by a physician's note.*
- *Family illness or death. (provide note)*
- *Education opportunities/ college visits (form in office)*
- *Periods in which a student is under Homebound Instruction are not considered absences.*
- *Where appropriate when consistent with IEP's*
- *All religious holidays as approved annually by the Commissioner of Education are exempt from this policy and are not counted as absences.*
- *Pupil's suspension from school.*
- *Pupil's required attendance in court (documentation)*
- *Driver's license (documentation includes drivers license)*
- *If a student misses class due to a school-sponsored field trip, an assembly, special program, previously scheduled guidance appointment or suspensions then those absences are not counted towards the total of twelve.*

10/10 Rule

No student may leave class during the first 10 minutes and last 10 minutes. When students have permission to leave class, they must carry a hall pass.

Late to Class/ Late to School

Students who are late to class will be assigned a detention. If a student is late to class because he or she was detained by a teacher or administrator, then the student should bring a note signed and dated from that staff member.

Students who arrive to school after 8:05 a.m. or after the start of an assigned zero period are considered late to school and **may** serve a detention. Students will be assigned a detention on the day of the second late arrival and the fourth late arrival. Thereafter, the student will be assigned a detention for every single additional late arrival.

If there are extenuating circumstances, which contributed to the lateness, then the student must bring in a note from his or her parent. Only two notes per semester will be accepted. (*Regulation 5240- Tardiness*)

Athletic and Extracurricular Participation

Students must maintain a satisfactory record of attendance. An attendance record is unsatisfactory if the number of unexcused absences exceed twelve (12) school days in the school year prior to the pupil commencing participation in school district sponsored programs of athletic and/or extracurricular activities.

a. A pupil who is absent with an unexcused absence for a school day may not participate in school district sponsored programs the afternoon or evening of that school day. Student must report to school by 11:30 am in order for it to count as a school day.

b. A pupil who is serving an in-school or out-of-school suspension may not participate in school district sponsored programs once assigned and/or during the days while serving the suspensions.

SAFETY AND SECURITY

Parking/Driving Regulations

The following regulations are in effect during school hours in regards to student parking. Students must abide by the following: (Regulation 5514- *Pupil Use of Vehicle*)

- *Any licensed senior driver may drive to school and register for a parking spot. Additional parking spots may be offered to juniors through the school year.*
- *All students must register their car with the main office and place a school assigned parking tag on their rearview mirror. Failure to register a student vehicle with the main office will result in an administrative detention.*
- ***All students** must park in the front of the building in the lot south of the teacher's lot.*
- *The speed limit in the school parking lots is 5 mph. Pedestrians always have the right of way.*
- *Cars must be parked in the holders registered parking spot.*
- *Students may not drive their cars on school business.*
- *The Administration reserves the right to suspend the driving privilege of any student who operates his/her vehicle in an unsafe manner, or for failing to abide by the parking regulations set forth by the school or for using their car to leave school grounds during the school day without permission.*

Emergency Drills: Fire and School Safety

Silence and order are to be maintained during fire drills in order to ensure the safety of all. Students are to stay with their class, exit the building in an orderly fashion, move away from the building and stay clear of all roadways. Teachers and postings will give specific directions for each class on route of exit. As per New Jersey State law **N.J.S.18A:41-1**.

18A:41-1. Every principal of a school of two or more rooms, or of a school of one room, when located above the first story of a building, shall have at least **one fire drill** and **one school security drill** each month within the school hours, including any summer months during which the school is open for instructional programs, and shall require all teachers of all schools, whether occupying buildings of one or more stories, to keep all doors and exits of their respective rooms and buildings unlocked during the school hours.

Due to safety reasons, students should not have head/earphones in their ears during any type of drill. Students who are disruptive during a drill and fail to follow direction will face administrative disciplinary action.

Electronic Surveillance in School Buildings and on School Grounds

Board policy (#7441), signs are posted in the building notifying people that there are active surveillance devices in the area.

The Board of Education authorizes the use of electronic surveillance monitoring devices in school buildings and on school grounds. All school building and school grounds within this school district may be monitored using such devices in accordance with Board of Education policy.

Students should be using the crosswalk on Prospect Street at the parking lot entrance to the high school. Students should NOT be crossing the street at Hampshire Road and Prospect Street. There is limited visibility to see pedestrians at this section. Students will receive a detention if they do not follow this rule.

ACADEMICS AND GUIDANCE

If there is a misunderstanding between a student and a teacher for any reason the following protocol should be followed:

1. *Student to Teacher*
2. *Parent to Teacher*
3. *Guidance Intervention*

College Visitations

Juniors, Seniors, and their parents are encouraged to visit colleges in which they have a serious interest. Most visitations should occur during vacation periods or in-service days when students are not required to attend classes. College admissions offices are also open during the summer months. For those students who cannot arrange their visitation during days in which school is not in session, the following guidelines have been implemented:

- *Juniors are limited to two (2) excused absences for college visitations and seniors are limited to three (3) excused absences.*

Guidance Department

The Guidance Counselors assist students and their parents in designing courses of study. Additionally, the department can provide information concerning financial aid, occupational training, career choices and college admission.

Appointments – If a student wishes to see their counselor, they can go to the guidance office and sign up to request a meeting. The counselor will then send the student a pass with an appointed time. Students should not go to the Guidance Office during class time unless they have a specific appointment. Students called to the Guidance Office during the morning or afternoon announcements should make sure to report to the Guidance Office when the announcement indicates.

Assignment Requests – Students who are out of school for three or more consecutive days should contact the Guidance Office for assistance in collecting missed work.

NAVIANCE

The Midland Park High School Guidance Office utilizes *NAVIANCE – TCCi Family Connection* to assist us and our students in managing the College application process. TCCi Family Connection is a comprehensive website that students and parents can use as a tool in planning for college.

This resource is available to all of our high school students and families. Family Connection from Naviance® is a web-based program that links counselors and schools with students and parents to improve college, and career planning. TCCi Family Connection is a place to organize personal data, lay out a game plan, maintain a list of prospective colleges, and track the application process. While we anticipate heaviest usage of this program among our juniors and seniors, many of our younger students and their parents will find this tool to be helpful in longer-term planning.

CODE OF CONDUCT AND DISCIPLINE

Midland Park High School Student Code of Conduct (Policy #5600)

The image a school portrays is often determined by the behavior of its students and the physical appearance of the building. We must all - students, teachers, administrators, support staff, and community members - show pride by doing our share to make the high school a

better place in which to learn and work. One of the main goals of the high school staff is to develop self-discipline in all students.

The following rules apply while on school premises, school buses or any other school property during school activities at or away from school, or off the school grounds if the situation is initiated at school. Students shall be given due process before a disciplinary action is taken.

The rules also apply to any form of student misconduct directed at a district official or employee or the property of a district official or employee, at any place, at any time. A violation of any rule may result in disciplinary actions.

Disciplinary Actions

Detention – Students who violate school regulations and procedures will be assigned an after school detention. Individual teachers may assign detentions for problems they encounter in their classes. The time and location of these detentions will be determined by the individual teacher.

For a violation of school regulations such as being late to school or failing to follow the guidelines outlined in this handbook, an administrative detention will be assigned. Detentions will be from 3:00 p.m. to 4:00 p.m. and 7:00 a.m. to 8:00 a.m. or as determined by the administration.

- *Students who fail to serve a teacher detention **will receive one (1) day** of administrative detention.*
- *Students who fail to show for an administrative detention must serve **two (2) days** of administrative detention. Repeated failure to show up for detention will result in a suspension.*

Suspension – Students who violate certain school rules will be subject to suspension at the discretion of the administration. Some offenses will automatically result in suspension. These include: fighting, leaving school grounds without permission, disrespect of a staff member, theft, and violation of the Board of Education policies on smoking or substance abuse, harassment, intimidation and bullying or making threatening comments of any kind. Persistent disregard for school rules or failure to serve detention may also result in suspension.

Admonishment- A school staff member in authority may admonish the pupil for his other unacceptable conduct and warn the pupil that additional misconduct may warrant a more severe penalty.

Temporary Removal from Classroom-

- The classroom teacher may direct the pupil to report to the office of the administrator in charge of pupil discipline.
- The teacher will complete a form that indicates the pupils name and the conduct that caused the pupil to be removed from the classroom.
- The administrator in charge of discipline will interview the pupil and determine which, if any, additional disciplinary steps are indicated.

Deprivation of Privileges- The pupil may be deprived of the privilege of:

- Moving freely about the school building
- Participation in co-curricular or after school activities
- Attendance at a school related or sports activity
- Participation in a graduation ceremony
- Transportation by school bus
- Eating lunch in the cafeteria or
- Any other privilege that the Building Principal or designee determines may be appropriate and consistent with policy 5600 and N.J.A.C. 6A:16-7.1
