MISSION STATEMENT

Midland Park School District, as part of a strong, dedicated community, provides students with a comprehensive, adaptive education within a positive environment by maximizing all resources, empowering them to realize their individual worth, and responsibility with the expectation that all students achieve the New Jersey Core Curriculum Content Standards at all grade levels.

COMMUNITY - The high school serves the town of Midland Park, a community of 7,128 residents located in Northwest Bergen County within 20 miles of New York City. The citizens maintain a high level of interest in the educational system. Per pupil tuition expenditures for 2022-2023 are estimated to be \$28,196.

Midland Park High School is a comprehensive four-year high school which continually strives to meet the needs of all its students and prepare them for life after high school. The current school enrollment is 239 students. Midland Park High School is accredited by the New Jersey Department of Education and the Middle States Association of Colleges and Secondary Schools, a member of the College Entrance Examination Board and a host school for the Bergen County Special Services Secondary Hearing Impaired Program (S.H.I.P.).

STAFF PROFILE - The professional staff at the high school consists of a total of 50 certificated educators, the majority of whom have advanced degrees.
