Superintendent of Schools

To the Parents/Guardians of **Incoming Sixth** Graders:

The State of New Jersey, Department of Health and Senior Services has mandated that **ALL STUDENTS** entering or attending 6th grade are **required** to complete two immunizations for entering school in the fall.

These immunizations are for every child born on or after January 1, 1997 and entering or attending grade **SIX** as follows:

1. **ONE DOSE** of **Tdap** (Tetanus, diphtheria, acellular pertussis) given no earlier than the 10th birthday. A child does not need this Tdap dose until **five** years after the last DTP/Dtap or TD dose.
2. **ONE DOSE** of a **meningococcal-containing vaccine**. This applies to students when they turn 11 years of age and attending Grade Six.
3. If your child does not turn 11 until school starts in September, please provide documentation of date the student will receive his/her immunizations.

Please provide documentation of your child's immunizations by **August 15, 2019** to prevent your child from being excluded from school in September.

You may either FAX this documentation to (201) 447-0826 or mail to:

Mrs. Kessler, RN/School Nurse
Highland Elementary School
31 Highland Avenue, Midland Park, NJ 07432

Thank you in advance for your cooperation in this matter.

Sincerely,

Marie C. Cirasella, Ed. D.,
Superintendent of Schools
