

One School, One Book 2019

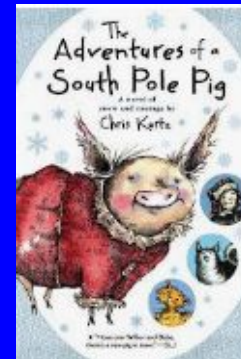

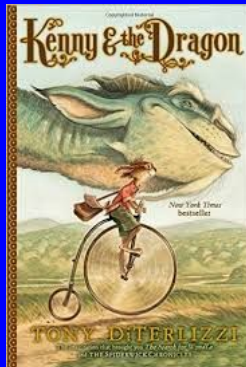

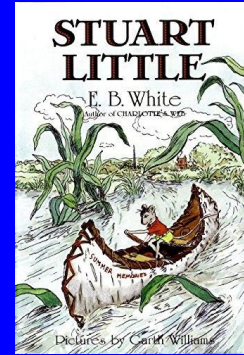

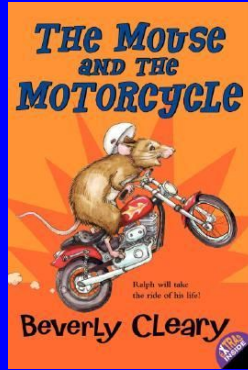

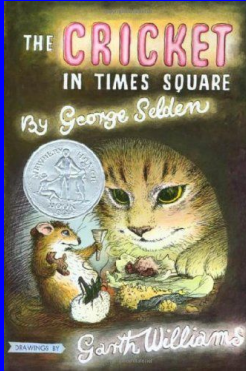

"When a whole school reads together,
there is a lot to talk about!"

Introduction

One School, One Book is a whole school reading adventure!

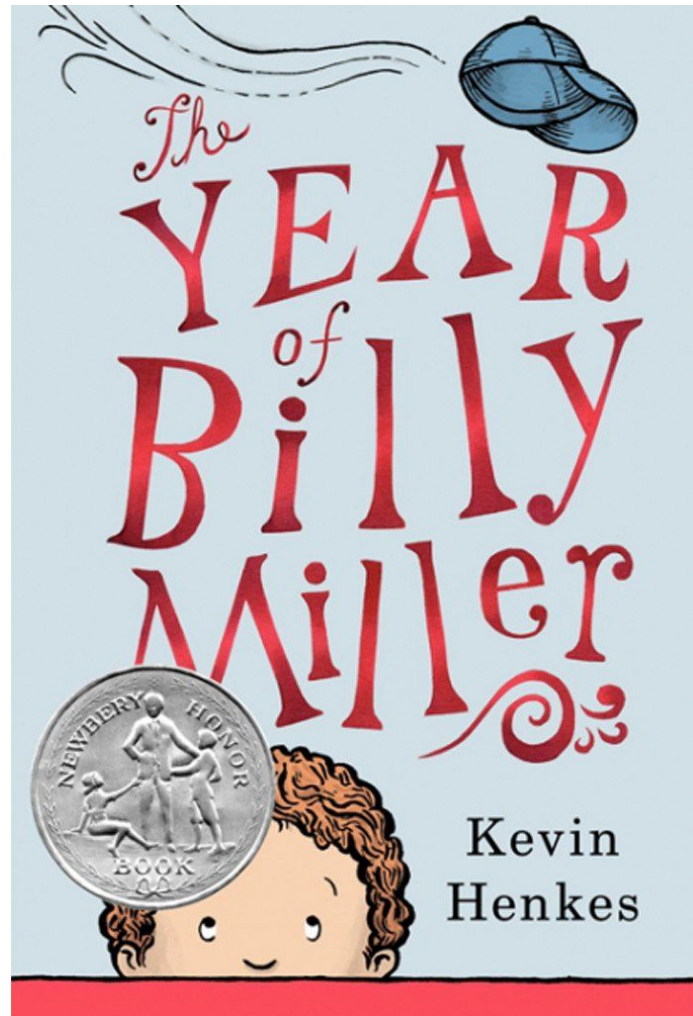

- ★ Each **family** will receive 1 copy of the book
- ★ We ask that as a family you enjoy this book as a read-aloud, together
- ★ In the book will be a letter to your parents explaining the program AND a reading calendar so you know which chapter your parents should read to you on which day
- ★ There will be Daily Trivia Questions - your teacher will ask you!

One School, One Book over the years!

**Are you
Excited?**

**This year's
One School,
One Book is . . .**

Kevin Henkes

During the month:

We will be collecting
canned foods to donate
to the Center for Food
Action!

Every can counts, and
they count on us for
donations!

Dioramas

Dioramas are an exciting and creative way to present information.

While we are reading *The Year of Billy Miller*, students may bring in a diorama inspired by the book or something else that is special.

I will display them in the library and students will be able to present them to their class during your library time!

Have fun and be creative!

Partner School

Once again, this year we are partnering with the students from Hubbard School in Ramsey, NJ

They have finished reading the book and are waiting to hear from us!

Happy reading!
