

Trees!

Our story, Gooseberry Park, takes place in, you guessed it, a park! Parks have trees of all different shapes and sizes. We are inviting you to make a tree during the month of March to go with our story. The trees will be displayed in HIGHLAND PARK and GODWIN PARK, a.k.a. the Library/Media Center. You can even add a pair of unlikely friends too. Your tree art can be created however you'd like. Be creative and use your imagination!
