

# Be a Midland Park Summer Reading Star 2023

## Would you like lots of people to know that you are one of Midland Park's Summer Reading Stars?

Godwin and Highland Elementary Schools and the Midland Park Memorial Library are working together to help you become one of those stars—and to let everyone who drives by your home know what a star reader you are.

## What do you have to do to become a Summer Reading Star?

You must get BINGO at least twice anywhere on the boards located on this flyer. Note: Each BINGO will also earn you a prize that can be picked up at the library. Visit either the children's or circulation desk at the library to collect your prizes. Once you complete a reading task in a box, color it in and think about your next reading adventure. Each time you read you can color in a box. We've given you two boards so you have options. The choice is YOURS!

To be a Star, you must turn in this form at the MP Memorial Library by the end of August 2023 OR email a photo of the completed form (both sides please) to [childrens@midlandpark.bccls.org](mailto:childrens@midlandpark.bccls.org)

## How will you be recognized as a Summer Reading Star?

Turn in this form at the public library or via email and you will be given a special sign to display on your lawn during the summer. You will also receive special recognition when you return to school in September. (Please note: Signs will need to be returned to the library for use in future years.)

## Who can be a Midland Park Summer Reading Star?

Anyone and everyone!!! You do not need to be a Midland Park resident to participate. If you attend a school other than Godwin or Highland School your special recognition certificate will be mailed to your home.

If you have questions or need help with participating in the Summer Reading Star Program, or have questions about your child's summer reading books or assignments from Highland or Godwin School, please don't hesitate to send an email to: [dbache@mpsnj.org](mailto:dbache@mpsnj.org) or [pgalasso@mpsnj.org](mailto:pgalasso@mpsnj.org)

## How do I register to become a Summer Reading Star?

For registration link and updates about the Summer Reading Star program please visit this website:
