

INTRAMURALS

Highland School

2023-2024

Dear Parents and Guardians;

Highland School would like to continue our intramurals program for any student, grades 3-6, who would like to participate. One of our Physical Education/Health teacher, Mr. Sean Gang, would like to offer this program in order to afford our students the opportunity for physical exercise, team building, and skill development outside of our traditional gym classes. We consider this a great opportunity for the students and are excited about the new intramural season. **Due to the large turnout in past years, ONLY the first 30 students from 3rd / 4th and the first 30 students from 5th / 6th grade will be accepted.**

Intramurals will be two sessions, 3rd / 4th graders will be together and 5th / 6th graders will be together. **In order to participate, students and parents must sign and fill out the hard copy form below and return the hard copy to the Highland School Main Office no later than Monday, May 6th, 2024.** Forms will be numbered as they are returned to ensure we are **only accepting the first 30 students for each session.**

If a student commits to the intramurals program they are expected to **show up each week, practice good sportsmanship, and abide by the rules of the activities.**

The schedule will be as follows;

- 3rd and 4th grades (7:30-8:15am): May 16th, 23rd, 28th, June 4th, 11th
- 5th and 6th grades (7:30-8:15am): May 13th, 20th, 29th, June 5th, 12th
